Re: Sale of Citizens Gas Company to Uni Source
and excessive increase in rates because of it

Dear members of the Corporation Commission:

I officially oppose the above mentioned
transaction being a customer and consumer of
the local gas company, Citizens gas.Our provider for power, APS, manages to DECREASE
its rates and has done that for many years.
If companies can't manage right and think a rate
increase is the answer, then I suggest CHANGE
management instead of imposing hardship to many
thousands of customers/consumers.

Sincerely,

Catherine Isabel
